For courses in international business and general management.

Management Around the World: Business Strategies and Interpersonal Skills

International Business stretches the globe across languages, traditions, and political ideologies.

International Management: Managing Across Borders and Cultures examines the challenges associated with this unique type of leadership and thoroughly prepares students for the complicated yet fascinating discipline of global management.

No matter the size, companies operating overseas are faced with distinct scenarios. In order to be successful, they must accurately assess the components that shape their strategies, operations and overall function. The **Ninth Edition** trains students and practicing managers for careers in this evolving global environment with effective strategic and organizational skills while focusing on sustainability.
