The Ultimate Tutorial To Makeup Techniques And Skills - Learn 5 Secret Ways to Apply Cosmetics Like A Pro!

Make-up has long been a way to enhance your best facial features. It has played a role in distinguishing kings from peasants, and helping commoners become gentry. Historically, it has been made from a variety of substances – some of which slowly poisoned the wearer!

With the 1920's came greater knowledge of the chemical composition of ingredients, and a number of new products were introduced. With this came testing of cosmetics using animal test subjects. In more modern times, social pressure is moving companies away from this practice, and many excellent cosmetic products have become available that are not only cruelty free, they are made from primarily vegan products.

But most important is the evolution of how cosmetics are applied. Acquire this book, and learn more about application techniques, about targeting the application type to the age and appearance of the individual and even some problems that can arise with makeup. This is a personal adventure you don't want to miss.
