The bestselling Moroad Motorcycle Club series begins with the 1st of three novels in the psychological romance of Cam...president and career felon controlling the prison system.

Empathy is an emotion that has always evaded Cam Farrell, president of the Moroad Motorcycle Club and prisoner #18794. He's gambled with his life to finish the gun chain running across the states, get the majority of his MC brothers working inside the prison system, and place the smoke screen in Federal, Idaho. He only needs one more thing--Christina. What he wants, he takes, and freedom doesn't mean a damn thing.

Christina Nickelson keeps to herself and uses her part-time job for Silver Valley's Department of Children's Services to help those who are also alone and hurting. The anger and fear she thought she'd overcome after her parents were murdered resurfaces when an ex-convict and leader of a motorcycle club claims a teenage boy in her care. She can't let her worries go. Putting herself at risk, she finds herself held hostage, witnessing a murder, and questioning fate. The only person she can rely on is the biker who will kill her if she tries to leave.
