You met Russia's ultimate special agent in the 600+ page epic saga The REDHOUSE Project...Now see her like you have never seen before in this movie graphic novel series.

She is Moscow's answer to the British MI-6 00's, the Israeli Mossad assassination Squads and America's CIA super Black-Ops teams. She is the big red bear's leveler of the playing field in the international theatre of espionage...and she does it in her own 'kool' sexy style. She has the face of an angel and the charm to warm up the iciest of men. She loves like there is no tomorrow and for those who become her mark, tomorrow NEVER comes.

She is like a phantom, an invisible freak of nature that does not leave a shadow behind, not a single perspiration, not a hair follicle...it is as if she does not exist, and yet her name has become synonymous with death. She is the Kremlin's rising phoenix, their genie that has been unleashed upon the world and leaving behind in her wake a whole host of Kremlin enemies.

She is their last gap stop measure and no matter where you go in the field of international espionage, her name is spoken in whispers...she is that good. She is 'The Angel of Death' and her story begins in this first volume entitled 'Angelic Genesis.'

ANGELIC GENESIS:

There is a traitor in the house of Moscow and they are losing sensitive military secrets. The clock is ticking to identify and track down this master chameleon before he turns over the final piece of the puzzle to his buyer. With the very balance of global power at stake Angel gets this as her very first mission. Why would Moscow give this rookie agent this most important of assignments?

Now she must track him across the globe. He lives fast, plays hard and has a thing for exotic hotels...and that's just fine with her...After all she is the Kremlin's turndown maid service and it's time for some house cleaning!

Chapter 2--This Is Your Life

Kraslvaya finds both her past and future on a collision course, and it sets the stage for the birth of 'The Angel of Death.'
