Anglers and naturalists alike will want to use this handy field guide to identify any freshwater fish in Texas likely to be caught on hook-and-line. The noted diagnostic characters and beautiful color illustrations will prove an indispensable aid for identification. Included are notes on preferred habitat, geographical distribution and favorite baits for landing each species. The guide's six double-sided panels fold up into a packet narrow enough to fit in a back pocket yet sturdy enough to stand up under repeated use. Lamination has also made the guide waterproof.
