The Road to Qua ~ Qua Farm is an inspirational story of a young couple living on a hippie commune in the early 1970's. Together with a small band of Hippies from Cambridge, Massachusetts, they moved to the back woods of Nova Scotia, Canada. The Old Weagle Farm was over one-hundred years old, run down, and in need of major repair. This farm would be the ideal place to begin, because it allowed them to live communally in a healthy environment, free from the norms, and values they had grown accustomed to. They would have an opportunity to create, and shape their very own community, influenced by their own imaginations. No longer dependent on society to achieve these freedoms, they would learn to live off the land, barter for things they could not provide for themselves, and create a new society within itself. They would face challenges they could never have imagined. Daily living was pushed to the limits with the absence of electricity, indoor plumbing, and central heating. Determined to break the mold for the American Dream once, and for all, their journey led them to this place, and they were determined to find out why! Their Quest was spiritual in nature, and they would soon discover the dusty road leading to the farm was just the beginning of a journey to awaken their souls, and satisfy the emptiness within their hearts. It would be a quest toward the King and His Kingdom! The Road to Qua ~ Qua Farm will compel you to pursue a journey of discovering for yourself. These true life stories will inspire, guide, encourage, and help you achieve the hopes, dreams, and purposes for your life.
