The Charismatic Theology of St. Luke Roger Stronstad

"I am quite frankly excited at the appearance of Roger Stronstad's book "The Charismatic Theology of St. Luke." Until now people have had to recognize Pentecostalism as a powerful force in the areas of spirituality, church growth, and world mission, but they have not felt it had much to offer for biblical, theological, and intellectual foundations. But this is fast changing, and with the appearance of this book we may be seeing the first motions of a wave of intellectually convincing Pentecostal theology which will sweep in upon us in the next decades." From the Foreword by Clark H. Pinnock

In recent years, considerable scholarly discussion has occurred regarding the meaning of the Holy Spirit's activity in Luke-Acts. "The Charismatic Theology of St. Luke" represents a new and fresh approach to this important issue. At the crux of the controversy is the interpretation of the phrases "baptism in the Holy Spirit" and "filled with the Spirit" as used in Luke-Acts. Roger Stronstad argues that, in an effort to harmonize Lukan and Pauline theology of the Holy Spirit, Luke's charismatic emphases have been improperly forced into a mold. Stronstad offers a cogent and thought-provoking study of Luke as a charismatic theologian, whose understanding of the Spirit shaped wholly his understanding of Jesus and of the nature of the Early Church. Writing in the spirit of the finest of biblical scholarship, Stronstad challenges, indeed forces, traditional Protestants to reexamine and reconsider the impact of Pentecost.
