Ron Klinger

The Modern Losing Trick Count: Bidding to Win at Bridge (Master Bridge) Ron Klinger

The Losing Trick Count is a way of measuring the trick-taking potential of a trump contract without the need to count points. It enables you to calculate the playing-strength and the tricks in your own hand, and to estimate accurately the useful tricks in partner's hand. Put these two figures together and you have the trick-taking capacity of the two hands. Used correctly, the LTC is a vastly superior valuation technique for accurate bidding.
