#### **Regina Wingler:**

As a scholar exactly feel bored in order to reading. If their teacher asked them to go to the library or make summary for some publication, they are complained. Just very little students that has reading's internal or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that reading through is not important, boring and can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Writing and Presenting Scientific Papers can make you really feel more interested to read.
