Now an affordable soft-cover edition of the collectible 2007 cult classic. Burying the fears of real life in the real fears of life in the extremes, a dysfunctional college ski bum slides toward redemption—one euphoric ski run at a time. Battling a volatile childhood, homelessness, open heart surgery, criminal habits, mutilating wrecks and the affliction of his own hidden death wish, this refugee finds a new life in the hideaways of North America's frontier powder outbacks. Seeking hallucinogenic immolations of bottomless snow and dodging the menace of his own recklessness, his unwitting and lucky transformation comes at the hands of likeminded friends and a providential romance.
