Mika's Travels - Around the World in Eighty Lays: Encounters 1-4 (Japanese girl, bi-sexual, inter-racial erotica) Nadine Chen

The first four stories in Mika Nakamura's globe-trotting quest for sensual satisfaction.

Starting with Tokyo Take-Off, vivacious, young, international courier Mika is delayed by bad weather at the airport. With time to kill, how can this attractive, free-spirited, carnally-curious girl find a way to divert herself before her flight to Europe? After formulating her plan over a couple of drinks in the departure lounge, an unsuspecting Officer Sato soon finds out during his own private interview. Customs inspections may never be the same again.

In In-Flight Fun, Mika is bound for Amsterdam. Young and uninhibited, she is on the lookout for some in-flight entertainment to satisfy her most basic carnal urges. Will she be left to her own devices during the journey or can Captain Van Lim pilot her to ecstasy? The sky's the limit as Mika enters European airspace at full throttle.

Looking for some Dutch Delight, our sensual, young Japanese courier has some time to spend in Amsterdam. With a company limo at her disposal, will she let the chauffeur take her for a ride? Or will a planned meeting with an old friend rekindle barely-concealed lust? Mika finds out as she seeks out satisfaction, making

the most of the city and her hot, firm body.

On making her London Landing, Mika has now arrived in the UK with a contract to be signed but the frosty Head of Security, Miss Farthingale, has accused her of irregularities at the Amsterdam office. Mika is understandably annoyed at the insult to her integrity, especially as the accusation was made in front of the UK Director of Operations.

She offers Miss Farthingale the opportunity to apologise, but when she refuses, Mika decides to teach her a lesson in her own unique way...
