ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

Emphasizing the connection between writing and context, *Technical Communication: A Practical Approach* 8e uses a fictional company (M-Global) and students' own school and workplace settings to introduce the common genres of technical communication. Featuring numbered guidelines and an ABC format, the book shows how to write a variety of technical documents including business proposals, white papers, scripts, research reports, digital documents and more! This edition features earlier coverage of collaboration, more on software tools, expanded ABC formats, and the innovative *MyWritingLab* for Technical Communication.
