The Way We Live Now

Anthony Trollope

The Way We Live Now Anthony Trollope

In mid-19th century England, an era full of celebrated novelists, Anthony Trollope was one of the most popular and critically acclaimed of them all. Even today, his Chronicles of Barsetshire series is widely read, as are his other novels, many of which deal with criticisms of English culture at the time, from its politics to its customs and norms. As the title suggests, *The Way We Live Now* was about Trollope's contemporary period, and it's a biting social critique of the corruption in England during the 1870s, particularly over financial scandals that exposed the kind of greed that Trollope frequently railed against. Trollope explained the motivation behind writing the work: "Nevertheless a certain class of dishonesty, dishonesty magnificent in its proportions, and climbing into high places, has become at the same time so rampant and so splendid that there seems to be reason for fearing that men and women will be taught to feel that dishonesty, if it can become splendid, will cease to be abominable. If dishonesty can live in a gorgeous palace with pictures on all its walls, and gems in all its cupboards, with marble and ivory in all its corners, and can give Apician dinners, and get into Parliament, and deal in millions, then dishonesty is not disgraceful, and the man dishonest after such a fashion is not a low scoundrel. Instigated, I say, by some such reflections as these, I sat down in my new house to write *The Way We Live Now*."
