## 50 COSAS QUE HAY QUE SABER SOBRE FILOSOFIA DUPRE BEN

Con frecuencia se ha considerado a la filosofía como la disciplina académica por antonomasia con sus practicantes firmemente enclaustrados en sus torres de marfil al margen de los problemas de la vida real. Nada más lejos de la realidad el pensamiento filosófico se ocupa de los asuntos que importan. Para decidir que deberíamos hacer en vez de que podemos hacer tenemos que recurrir a la filosofía. Para aprender a vivir para saber de justicia de lenguaje de estética de realidad e irrealidad para gozar para amar tenemos que recurrir a la filosofía. En esta colección de 50 ensayos escritos de un modo tan accesible como lucido Ben Dupre nos presenta y nos explica todos estos conceptos que han merecido la atención de los pensadores desde Antigua Grecia hasta el presente.
