Murder of Crows (The Icarus Trilogy Book 1)

Kevin Kauffmann

Murder of Crows (The Icarus Trilogy Book 1) Kevin Kauffmann

What would you consider freedom? For some, it's choosing their way to die.

Murder of Crows is based in a not-so-far-flung universe where humanity did not reach the stars but instead found itself mired in corporate takeovers and local politics. In order to deal with overpopulation and pollution the governments of the world decided to tow asteroids into orbit around Earth, add atmospheres and transform them into miniature planets. While most of the asteroids were designed for colonization, Eris was destined for constant commercial warfare. Most people just call it "War World" after their favorite television show.

The lower class thinks that War World is the best thing since the beginning of the universe. All of the soldiers are divided into teams and, in order to maintain rosters, each soldier is cloned prior to the games. When they die, their consciousness and memories are transferred into new clones and the process begins all over again. What the rest of humanity doesn't realize is that each death and resurrection is incredibly painful and disorienting. In addition, due to the costs of resurrection after their deaths each one of these soldiers becomes a slave to this cruel system.

Rarely do any of them make it off the asteroid.

The novel tells the story of Ryan Jenkins and his teammates from the Crows, one of the best teams in the system. Drawing on themes of grief, freedom and coping with an uncaring world, the story centers on the trauma these men and women experience as they die for public entertainment.

Murder of Crows is the first part of Kevin Kauffmann's Icarus Trilogy, telling a loose interpretation of the myth in a future dystopia.

As of March 6th, 2013, in preparation for the release of the anniversary edition of The Icarus Trilogy, Murder of Crows has been updated to reflect the new content. With the addition of 20,000 words, the help of both Amazon Reviewers and a copy-editor, and a more developed writing style, the book is now a much more polished experience and more appropriate beginning to the epic tale.

AUTHOR'S NOTE On 7/14/2014, I basically "patched" the book once more, taking into account the criticism about confusing names and references, and also cleaning up the book to reflect my current style. It should be a better experience all around.

From reader reviews:

Edward Baca:

Do you have favorite book? In case you have, what is your favorite's book? Reserve is very important thing for us to learn everything in the world. Each guide has different aim or even goal; it means that publication has different type. Some people truly feel enjoy to spend their time to read a book. They are really reading whatever they consider because their hobby is actually reading a book. Why not the person who don't like examining a book? Sometime, man feel need book once they found difficult problem or maybe exercise. Well, probably you will want this Murder of Crows (The Icarus Trilogy Book 1).

Janette Collins:

What do you about book? It is not important together with you? Or just adding material when you want something to explain what you problem? How about your free time? Or are you busy individual? If you don't have spare time to accomplish others business, it is gives you the sense of being bored faster. And you have spare time? What did you do? Every individual has many questions above. They need to answer that question due to the fact just their can do that. It said that about reserve. Book is familiar on every person. Yes, it is appropriate. Because start from on guardería until university need this kind of Murder of Crows (The Icarus Trilogy Book 1) to read.

Esther Tackett:

People live in this new day time of lifestyle always attempt to and must have the extra time or they will get wide range of stress from both everyday life and work. So , if we ask do people have spare time, we will say absolutely indeed. People is human not really a robot. Then we request again, what kind of activity have you got when the spare time coming to you actually of course your answer can unlimited right. Then do you try this one, reading publications. It can be your alternative in spending your spare time, the particular book you have read is definitely Murder of Crows (The Icarus Trilogy Book 1).

Samuel Freeman:

Reserve is one of source of understanding. We can add our knowledge from it. Not only for students but native or citizen want book to know the revise information of year in order to year. As we know those books have many advantages. Beside all of us add our knowledge, may also bring us to around the world. By the book Murder of Crows (The Icarus Trilogy Book 1) we can have more advantage. Don't that you be creative people? To become creative person must like to read a book. Just choose the best book that appropriate with your aim. Don't always be doubt to change your life with this book Murder of Crows (The Icarus Trilogy Book 1). You can more appealing than now.
