The Beginners Guide to Property Investment Tony Booth

"The Beginner's Guide to Property Investment" deals thoroughly with the whole process of buying your first home, right up to the time you move in. It also examines and explores the many alternative areas of property investment available to you once you've got your foot on the first step of the property ladder. These include buy-to-let, let-to-buy, renovation, buying property abroad, self-build and self-employed business enterprise. This book will disclose opportunities you might not even be aware of, whatever the state of the property market. However, it does not advocate cutting corners or taking unnecessary risks. By reading it in a progressive and methodical manner you will understand the advantage of self-assessment and careful planning. You will also gain access to generous amounts of inside information and well-kept trade secrets. It includes such topics as: Why estate agents yearn to make contact with first-time buyers? What constitutes a sound investment? Why buy-to-let has boomed? How to examine your borrowing potential and create a golden credit rating? It also examines the extraordinary volume and range of mortgages available and suggests the best types for you and your circumstances. Contents: List of illustrations Preface Acknowledgements 1.
