## **The Reagan Diaries: Abridged Selections** Ronald Reagan

During his two terms as the 40th President of the United States, Ronald Reagan kept a daily diary in which he recorded, by hand, his innermost thoughts and observations on the extraordinary, the historic, and the routine day-to-day occurrences of his presidency. Now, nearly two decades after he left office, this remarkable record, the only daily presidential diary in American history, is available for the first time.

Edited by historian Douglas Brinkley, *The Reagan Diaries* provides a striking insight into one of this nation's most important presidencies and sheds new light on the character of a true American leader. Whether he was in his White House residence study or aboard Air Force One, each night Reagan wrote about the events of his day, which often included his relationships with other world leaders and the unforgettable moments that defined the era.

Seldom before has the American public been given access to the unfiltered experiences and opinions of a president in his own words. To read these diaries, filled with Reagan's trademark wit, sharp intelligence, and humor, is to gain a unique understanding of one of the most beloved occupants of the Oval Office in our nation's history.

#### **Ricardo Hayward:**

As a scholar exactly feel bored to reading. If their teacher inquired them to go to the library or to make summary for some book, they are complained. Just small students that has reading's soul or real their interest. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that reading through is not important, boring and also can't see colorful photos on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this The Reagan Diaries: Abridged Selections can make you really feel more interested to read.
