Rachel Bronson

Thicker Than Oil: America's Uneasy Partnership with Saudi Arabia Rachel Bronson

For fifty-five years, the United States and Saudi Arabia were solid partners. Then came the 9/11 attacks, which sorely tested that relationship. In *Thicker than Oil*, Rachel Bronson reveals why the partnership became so intimate and how the countries' shared interests sowed the seeds of today's most pressing problem--Islamic radicalism.

Drawing on a wide range of archival material, declassified documents, and interviews with leading Saudi and American officials, and including many colorful stories of diplomatic adventures and misadventures, Bronson chronicles a history of close, and always controversial, contacts. She argues that contrary to popular belief the relationship was never simply about "oil for security." Saudi Arabia's geographic location and religiously motivated foreign policy figured prominently in American efforts to defeat "godless communism." From Africa to Afghanistan, Egypt to Nicaragua, the two worked to beat back Soviet expansion. But decisions made for hardheaded Cold War purposes left behind a legacy that today enflames the Middle East.

Looking forward, Bronson outlines the challenges confronting the relationship. The Saudi government faces a zealous internal opposition bent on America's and Saudi Arabia's destruction. Yet from the perspective of both countries, the status quo is clearly unsustainable.

Eileen Moore:

With this era which is the greater particular person or who has ability in doing something more are more valuable than other. Do you want to become one among it? It is just simple approach to have that. What you have to do is just spending your time almost no but quite enough to enjoy a look at some books. One of the books in the top listing in your reading list is definitely Thicker Than Oil: America's Uneasy Partnership with Saudi Arabia. This book that is qualified as The Hungry Slopes can get you closer in turning out to be precious person. By looking upwards and review this e-book you can get many advantages.

Betty Jordan:

As a scholar exactly feel bored to reading. If their teacher expected them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's spirit or real their pastime. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that looking at is not important, boring along with can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Thicker Than Oil: America's Uneasy Partnership with Saudi Arabia can make you really feel more interested to read.
