## From Demo to Delivery (The Mastering Music Series)

From Demo to Delivery: The Process of Production discusses each stage of the typical music production process from start to finish. Beginning with the creation and development of the composition and song production, the book then traces the process from the recording, mixing and mastering stages through to marketing and distribution. This book is a must read for anyone who wants to learn the pro techniques involved in creating music from start to finish. Packed with essential information, including signposts to other sources of information at the end of each chapter, From Demo to Delivery provides a map for musicians, semi-pro and aspiring producers, engineers and music professionals interested in learning how music makes it from the an idea to the page to the studio to a demo and into the hands of the market and beyond.
