About the series: Some say it's magic, some say it's love. Others credit the sea, sun and sand as the healing powers behind Sea View House. Does the truth really matter for the temporary residents of this special place? In the coastal town of Pilgrim Cove, strangers are welcomed, and everyone else takes a front row seat to watch a love story unfold. The series begins with HER LONG WALK HOME:

Rebecca Hart has her life together--great job, great friends and ready to run the Boston Marathon. Her life turns in an instant when she'd injured in the bombing.

Single dad and veterinarian, Adam Fielding, intends to remain a bachelor after being "abandoned" twice. Once by the love of his life and once by a second-best girlfriend.

When Rebecca arrives at Sea View House to recover, neither she nor Adam is prepared to let the magic of the place affect them.

Will these two open their hearts and run toward a new finish line together?
