Sometimes we're lucky enough to get that second chance - in life and in love. That Second Chance Series are stand-alone stories of strong women who battle heartache and loss with a courage and determination to find new paths and true love. What ties them together? A common theme: belief in the beauty of that second chance.

Simple Riches is Book Three of That Second Chance Series. It is also the prequel to Mary's bestselling family saga, A Family Affair: Winter, Truth in Lies, Book Six.

If you enjoyed the small town sense of community and caring in A Family Affair (Truth in Lies Series) you'll experience that same coziness in Simple Riches. There's heartache, betrayal, forgiveness, and redemption, all wrapped up and waiting for you.

Alexandra "Alex" Chamberlain is a big city girl who knows nothing about close-knit families, sibling rivalry, or receiving an unsolicited opinion in the name of family. She's been raised by an aunt and uncle who've provided her with a wealthy lifestyle and a fancy education, but have withheld what she craved most--love and acceptance. Her uncle has taught her to disregard everything but the bottom line on a balance sheet and she'll do anything to earn his approval. She prides herself on excelling at her job which is selecting small towns to buy, flatten, and replace with luxury resorts. When Alex decides to investigate Restalline, Pennsylvania, as a potential site for the next resort, she enters the town under the guise of a researcher gathering information for a documentary. Her uncle wants this project badly, and she's not going to disappoint him.

This town should be like all the others. Only it isn't. This town has the Androviches, a family who values hard work, honesty, and doing the right thing. And this town has Nick Androvich, the town doctor with a battered heart who doesn't quite trust her, but can't deny the mutual attraction.

Oh, but it's going to get messy when the truth about Alex's real purpose for being in Restalline sneaks out...and the truth always does. But fear not, the town is not going to sit by quietly and watch this meant-to-be-together couple lose their happily ever after...
