Santiago Johnson:

As a scholar exactly feel bored to help reading. If their teacher asked them to go to the library or to make summary for some publication, they are complained. Just little students that has reading's spirit or real their passion. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that examining is not important, boring as well as can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for you. As we know that on
