Our world is ever-changing. People are facing many struggles and uncertain times in their everyday lives. Mother Mary is offering love, support, and encouragement in her letters. She is reaching out, helping us to remember how to feel love and joy again: love and joy for ourselves, and love and joy for the world we live in. In the pages of *The Living Letters of Mother Mary*, you will find words of encouragement to bring you back to a place of support, confidence, and love. Each of the 159 letters offers an inspiring message straight from Mother Mary, herself-a representation of unconditional love-who is not affiliated with any one religion, but is in all religions. Through her message, you will learn how to recognize those known as Wayshowers or Keepers of Light who will help you to move into a heart-centered life. These letters are truly alive, living, breathing, and relevant to everyone and everything in this world today. You will find no instructions on how to live your life in these letters; only words to encourage you to love yourself. They are simply here to remind you that you are perfect just as you are. Know that Mother Mary knows this about you and that to have your best life you need only to know this about yourself!
