If you're a follower of Jesus who wants to know the truth about Christian App Development, and mobile technology then look no further! With this book, you're about to discover how to reach people for Christ, as well as make money, possibly a side income or even full-time income. All through the power of releasing your apps and establishing your own mobile app empire!

In fact, if you want to learn how to make money by creating your own mobile apps, and do it for a Christian audience, as well as being a part of the solution to help fill the void within a market hungry for quality content. Then this book will provide you with the answers to 5 of the most important questions, and challenges every Christian interested in creating a mobile app business faces:

- What type of app should I develop for the massive Christian market?
  - Why the mobile app market is a viable one?
  - Why Christian consumers are hungry for quality app content?
  - Step By Step guide on how to make your own app without knowing how to code?
  - How to share the Gospel and reach people for Jesus with your mobile app content?
- ... and much more!

So, if you're serious about reaching more people, and as a result building the Kingdom of God, then you need to grab a copy of this book now! With the possibility of making a side income, and simply gaining useful, real knowledge on what it actually takes to make your own Christian based mobile apps. Then don't delay and any further, we guarantee you will finish this book, armed and ready to make a more informed decision regarding your desires to get into the business of mobile apps!
