Covering the Courts: A Handbook for Journalists S. L. Alexander

News coverage of law can be a daunting task for any journalist, especially in a time when public interest in media coverage of the courts has greatly intensified. The second edition of *Covering the Courts* provides the most up-to-date resources for journalists and students. Detailed descriptions of each step of the judicial process along with tips from top journalists allow for a comprehensive analysis of courtroom activities. This handbook also addresses the complex issues surrounding the free press/fair trial controversy, pre-trial publicity, and the various types of news coverage allowed across the country. New discussions include recent high-profile trials such as *US v Microsoft*, the 2000 presidential election, and cases relating to the terrorist attacks of 9/11. This book is a substantial resource for journalism students and journalists covering the modern legal system.

The writer makes some research prior to write this book. This book very easy to read you can find the point easily after perusing this book.

Robin Bone:

As a college student exactly feel bored for you to reading. If their teacher asked them to go to the library or even make summary for some guide, they are complained. Just tiny students that has reading's spirit or real their hobby. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that examining is not important, boring as well as can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Covering the Courts: A Handbook for Journalists can make you sense more interested to read.
