Life After Death by Browne, Mary T. (1995) Mass Market Paperback

A renowned psychic and spiritual healer with clients all over the world, Mary T. Browne had her first clairvoyant experience at the age of seven. For more than thirty years since then, her visions of the other side and her communication with her teachers, both in spirit and on the earth plane, have helped to form not just her understanding of death, but her philosophy of life. In this fascinating, inspiring book, Mary T. puts our lives into a much broader context than most of us have ever imagined. LIFE AFTER DEATH describes in detail exactly where we go when we die. Mary T.'s psychic connection to the spirit world and her ability to receive messages from those who have made the transition will inspire us to see death not as an ending, but as a new beginning. Mary T. shows us that the spirit world is a place of harmony. It is a realm of beauty, light, art, music, literature, and friendship. We do love beyond the grave, and we will be reunited with our loved ones in the spirit world. The touching stories of those reunions will help ease the fear of leaving the physical world. Mary T. takes the mystery out of death, and leaves us with clear examples of the miraculous journey that lies ahead of us. (Amazon review)
