Spiritual Wisdom: Moving Beyond Religion Michael Burke

Humanity no longer trusts the ancient religions that have failed to bring us out of the chaos we currently face in today's world. Being a spiritual person has nothing to do with religion. God is not Catholic, Muslim, Jewish, Hindu, Baptist, Buddhist, Protestant, or whatever. Those and all other religions were created by mankind, not God. The majority are now ready to advance to their next spiritual level through the use of their Gog-given abilities. These abilities are explained in this book. This book is for those who have grasped the limitations of religion and are now ready to evolve spiritually.
