The Soma Effect B. Castagnozzi

Hannah Gosner was content to forever stay on her family's goat farm, where the wind blew cold and the animals chewed noisily on their cud. The peace, however, comes to an abrupt end when a mysterious Hindu boy only she can see shows up on the outskirts of her property. A bond of rarely-met cultures forms between the two as they attempt to rid the boy of his invisibility, and Hannah realizes her life will never be the same. But will Hannah's farm-raised spirit be enough for her to look past the boy's dark secrets as well as fight the men tracking him?
