D. H. Lawrence

D. H. Lawrence and Italy: Sketches from Etruscan Places, Sea and Sardinia, Twilight in Italy (Penguin Classics) D. H. Lawrence

In these impressions of the Italian countryside, Lawrence transforms ordinary incidents into passages of intense beauty. *Twilight in Italy* is a vibrant account of Lawrence's stay among the people of Lake Garda, whose decaying lemon gardens bear witness to the twilight of a way of life centuries old. In *'Sea and Sardinia'*, Lawrence brings to life the vigorous spontaneity of a society as yet untouched by the deadening effect of industrialization. And *'Etruscan Places'* is a beautiful and delicate work of literary art, the record of 'a dying man drinking from the founts of a civilization dedicated to life.'

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
