Faithless

A walk in the woods takes a sinister turn for police chief Jeffrey Tolliver and medical examiner Sara Linton when they stumble across the body of a young girl. Incarcerated in the ground, all the initial evidence indicates that she has, quite literally, been scared to death. But as Sara embarks on the autopsy, something even more horrifying comes to light. Something which shocks even Sara.

Skin Privilege

Lena Adams has spent her life struggling to escape her past. She has only unhappy memories of Reece, the small town which nearly destroyed her. She's made a new life for herself as a police detective in Heartsdale, a hundred miles away - but nothing could prepare her for the violence which explodes when she is forced to return.

Genesis

Three and a half years ago former Grant County medical examiner Sara Linton moved to Atlanta hoping to leave her tragic past behind her. Now working as a doctor in Atlanta's Grady Hospital she is starting to piece her life together. But when a severely wounded young woman is brought in to the emergency room,...

Triptych

When Atlanta police detective Michael Ormewood is called out to a murder scene at the notorious Grady Homes, he finds himself faced with one of the most brutal killings of his career. And then, only twenty-four hours later,...

Fractured

When Atlanta housewife Abigail Campano comes home unexpectedly one afternoon, she walks into a nightmare. A broken window, a bloody footprint on the stairs and, most devastating of all, the horrifying sight of her teenage daughter lying dead on the landing, a man standing over her with a bloody knife. The struggle which follows changes Abigail's life forever.
