Under the Volcano: The Story of Bali Cameron Forbes

Under the Volcano is dramatic history written by a master storyteller. Travellers come to Bali looking for paradise. Nehru called it "the morning of the world". Yet this small island has seen much bloodshed - from the ritual suicides of Balinese warriors fighting the Dutch, to the massacres of 1965-66 and the bombings of 2002 and 2005.

In *Under the Volcano*, Cameron Forbes looks at the blood and beauty of Bali through interviews, legends, reporting and history. He tells the stories of explorers, colonisers, surfers, artists, jihadists and drug-runners and above all of the Balinese themselves. In doing so he brings the island paradise into vibrant and disturbing focus.

Cameron Forbes is the author of *Under the Volcano* (2007) and *Hellfire: The Story of Australia, Japan and the Prisoners of War* (2005) and one of Australia's most respected foreign correspondents.
