Part of our weekly "Flashback Sale" - on sale for \$4.99 (regularly priced at \$9.99) until Saturday, January 30th.

When the Castle loses one of its own to cancer, what better way to honor his memory than by hosting a charity event? Thirty submissives answer the call, offering themselves up on the auction block for four days, three nights, and anything goes. Meet five of them in five great, full-length brand new novels from five of erotic writing's best authors:

"Owning O" by Maren Smith: She's the most highly-coveted submissive the Castle has ever known. She never says no, cries her safeword, or plays with the same Dom twice. For years Alan has watched her, looking but never touching until the night of the auction. Seizing his chance, Alan bids, but defeating the other Doms in the audience is only the first and easiest step in his bid to own the infamous O. Freeing her from herself quickly proves to be much, much harder....

"Punishing Portia" by Darling Adams: When chef David Marone recognizes the food critic who just lambasted him in a review on the auction block, he bids to keep her as his slave for three nights. He remembers her from culinary school seventeen years earlier, and relishes the idea of getting even with her. Portia Sands hopes the gorgeous Chicago chef who won her at the auction doesn't know her real identity. Then, she discovers he knows who she is and means to exact revenge. She considers calling a safeword to end their time together, but some part of her won't allow it. Somehow she must survive three nights as his slave and keep her heart in the process.

"Rosie's Resolutions" by Maggie Ryan: "Don't Chicken Out" - those three words are at the top of Rosa's list of resolutions. Sure, she'd never before kept any of her past resolutions for week, but this year it will be different. The moment Master Marshall announced the Auction, Rosa knew it was fate. As an employee, this is her chance to remove her Nanny uniform. She can stand on the stage and pray that someone would want to be her "daddy."

The moment the hammer falls, Rosa becomes Rosie - the Little that will learn what it is like to be taken care of, to be cuddled and loved. Will she discover that being Little isn't all fun and games?

"Buying Brianny" by Abbie Adams: Kian's ex hadn't thought of it as loving when he'd busted her butt for drinking and driving. No, she'd ended the relationship in a hurry. Of course he'd never repeat the mistake with another woman. Not even Brianny, who as it turns out, has craved discipline among other things.

"Sharing Silver" by Tabitha Black: Six months since her marriage ended in divorce, and Sylvia is craving some excitement - not to mention kink. So when Rosa tells her about a slave auction being held at the Castle, Sylvia throws caution to the wind and flies to America to be sold off to the highest bidder under the nickname Silver. Gorgeous twin Castle Masters, Travis and Trevor, can have any girl they choose - and frequently do. The only downside professionally, however, is there's never enough time to build trust. So when Trevor hears about the auction, he and his brother set about looking for a plaything they can do whatever they want with - a girl with as few limits as possible. But the brothers are smitten by the mysterious

girl from Australia, but whenever they try to get close, she clams up. Can the twins make her see what she means to them before it's too late?

Five great new novels (with bonus novella "Fulfilling Her Fantasy" by Tabitha Black), this collection has it all at an amazing value price. Publisher's note: This erotic romance fantasy collection explores multiple kinks in the setting of a BDSM resort, including age-play, ménage, reluctant submission, and the spanking of adult women. If these themes offend you, please do not buy this collection.
