2 Standalone Russian Billionaire Romances with HEA!

Chosen by the Russian Mafia

Chloe Smithson knows a good story when she sees one, as an awarded investigative journalist working in Washington D.C., it's her job. So when she stumbles across the path of one handsome, devil-may-care, playboy she decided it might be in her best interest to follow her instincts and see where it leads. Unfortunately for her, she doesn't realize until it's too late that the man she's pursuing is none other than Russian billionaire Alexei Dobrovski, notorious for his good luck, charisma, and ties to the nefarious Bratva, the Russian mafia.

Billionaire's Marriage of Convenience

Being a charming, billionaire playboy in Russia isn't all it's cracked up to be for Dominic Strokowki. He was trained his entire life to take over the family business after his father retired, but tragedy strikes, and his world is suddenly flipped upside down.

After his parents are killed in a tragic accident, he is forced to pick up the pieces, alone, but a secret amendment to his father's will just might change all of that. He learns that before he can inherit his family's empire, his birthright, he must marry and have a child.

That's where I walk in. Well, crash in, really. Dealing with my own string of tragedies, I thought I had it all figured out until my mother's death changes everything. I struggled to put myself through Harvard Law school, only to be rejected time and time again. That's when things become truly desperate. Jobless, penniless, alone, I'm about to lose my childhood home when fate throws me into Dominic Strokowski's path.
