Egalia's Daughters: A Satire of the Sexes Gerd Brantenberg

Welcome to the land of Egalia, where gender roles are topsy-turvy as "wim" wield the power and "menwim" light the home fires. This re-telling of the prototypical coming-of-age novel will have readers laughing out loud and wondering who should prevail: poor Petronius, who wants more than anything to cruise the oceans as a seawom; or his powerful and protective mother Director Bram, who rules her family with an authoritarian righteousness. But for better or for worse, as the masculist party begins to organize and protest, the landscape of Egalia threatens to change forever. More than just a humorous romp, *Egalia's Daughters* poses the provocative question of whether the culprit in gender subjugation is gender itself or power—no matter who wields it.

Bonnie Camacho:

As a student exactly feel bored to reading. If their teacher asked them to go to the library or even make summary for some guide, they are complained. Just tiny students that has reading's heart or real their hobby. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that examining is not important, boring and also can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Egalia's Daughters: A Satire of the Sexes can make you sense more interested to read.
