Sibling Bond

Stephen P. Bank, Michael D. Kahn

Sibling Bond Stephen P. Bank, Michael D. Kahn

Updated with a new introduction by the authors, this anniversary edition shows the sibling relationship as a distinctive emotional, passionate, painful, and solacing power that shapes who we are and who we become. The relationships among brothers and sisters are infinitely varied—a sibling can be one's worst enemy or closest companion. Though their love or hate, envy or compassion, and closeness or rivalry are formed in childhood, these bonds last throughout life, creating character and affecting behavior in numerous situations. Strangely, this profound attachment—second only to the parent-child bond—was rarely studied or understood until recently, perhaps because the feelings siblings have about each other are usually both intense and secret. Bank and Kahn chart this unknown territory, offering a theory of the ways in which siblings attach, create each other's identities, and affect the course of each other's lives. Illustrated with poignant portraits of brothers and sisters in childhood, adolescence, and adulthood, this book provides a profound understanding of these complex and enduring relationships, examining the influence of childhood intimacy, parental behavior, family turmoil, birth order, and gender. Based on more than twenty years of research and clinical evidence, *The Sibling Bond* fifteenth anniversary edition brings fresh insight to important clinical and theoretical issues, including attachment theory, the development of the self, and the emergence of sexual identity. While Bank and Kahn demonstrate the implications of their findings for both individual and family therapy, they also give readers a vivid opportunity to recognize and reflect on their own sibling relationships.

From reader reviews:

Willard Callahan:

Do you have something that you enjoy such as book? The book lovers usually prefer to decide on book like comic, small story and the biggest some may be novel. Now, why not trying Sibling Bond that give your satisfaction preference will be satisfied simply by reading this book. Reading behavior all over the world can be said as the way for people to know world better then how they react towards the world. It can't be said constantly that reading addiction only for the geeky individual but for all of you who wants to become success person. So , for all of you who want to start reading as your good habit, you could pick Sibling Bond become your personal starter.

John Dudley:

That reserve can make you to feel relax. This kind of book Sibling Bond was bright colored and of course has pictures on there. As we know that book Sibling Bond has many kinds or variety. Start from kids until adolescents. For example Naruto or Detective Conan you can read and believe that you are the character on there. Therefore not at all of book usually are make you bored, any it offers you feel happy, fun and relax. Try to choose the best book to suit your needs and try to like reading which.

Debra Ruff:

As a student exactly feel bored to help reading. If their teacher requested them to go to the library or to make summary for some reserve, they are complained. Just minor students that has reading's heart and soul or real their passion. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that looking at is not important, boring and also can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this Sibling Bond can make you feel more interested to read.

Carlton Little:

What is your hobby? Have you heard which question when you got college students? We believe that that problem was given by teacher to the students. Many kinds of hobby, Everyone has different hobby. And also you know that little person similar to reading or as looking at become their hobby. You need to understand that reading is very important and book as to be the matter. Book is important thing to provide you knowledge, except your current teacher or lecturer. You get good news or update in relation to something by book. A substantial number of sorts of books that can you decide to try be your object. One of them is Sibling Bond.
