Sister Parish Design: On Decorating Susan Bartlett Crater, Libby Cameron

Comfort is the essential element of a successful interior and the hallmark of the Parish-Hadley style. In *Sister Parish Design*, Libby Cameron, Sister's last protégé, and Susan B. Crater, Sister's granddaughter, explore this aspect and much more in a series of conversations with the leading decorators of today.

Sister Parish is the iconic American decorator of her generation. Her use of flowered chintzes and overstuffed armchairs combined with unexpected items, like patchwork quilts and painted furniture, is credited with popularizing what is known as American Country-style during the 1960s. Her passion for bold color and mixed patterns invoked charm, imagination, and a lived-in look to her rooms. Her philosophy was to be unafraid and to put things together because you liked them--not because they matched.

Filled with beautifully-rendered watercolor illustrations, *Sister Parish Design* is more than just a stunning book?it is an inspirational resource that all decorating aficionados will want to add to their bookshelf.

Violet Jarrell:

In this time globalization it is important to someone to get information. The information will make someone to understand the condition of the world. The fitness of the world makes the information better to share. You can find a lot of referrals to get information example: internet, magazine, book, and soon. You can observe that now, a lot of publisher which print many kinds of book. The particular book that recommended for you is Sister Parish Design: On Decorating this guide consist a lot of the information in the condition of this world now. This specific book was represented just how can the world has grown up. The dialect styles that writer use to explain it is easy to understand. The writer made some investigation when he makes this book. This is why this book ideal all of you.

Paul Queen:

As a pupil exactly feel bored for you to reading. If their teacher asked them to go to the library or even make summary for some reserve, they are complained. Just little students that has reading's heart and soul or real their passion. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that examining is not important, boring as well as can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Sister Parish Design: On Decorating can make you truly feel more interested to

read.
