The Complete Private Pilot Syllabus (The Complete Pilot series) Inc. Aviation Supplies & Academics
The Private Pilot Syllabus provides a basic framework for your training. Ground and flight lessons are coordinated in a logical sequence to ensure that your training progresses smoothly and that you are consistently introduced to topics on the ground prior to being required to apply that knowledge in the airplane. The compact spiral-bound design makes it convenient to use on the ground or in the cockpit. Ideal for FAR Part 141 pilot training and easily adapted for FAR Part 61 training, the syllabus features lesson objectives, flight and ground time allocations for all lessons, coordination of academic support materials with pilot training, an enrollment notice, and graduation certificates.
