A must read for anyone who is planning to visit New York; and everybody should. Read why, when, who with, who without and what to look for. The author is a New York City insider and survivor, passionate about the people. Also about those who are "out" of the picture" . This is NOT a tourist guide. The book will introduce you to New York from the kitchen. It will show you its heart and soul or the lack of it; wherever applies.
