Viking Age Iceland

Jesse L. Byock

Viking Age Iceland Jesse L. Byock

The popular image of the Viking Age is of warlords and marauding bands pillaging their way along the shores of Northern Europe. In this fascinating history, Jesse Byock shows that Norse society in Iceland was actually an independent one—almost a republican Free State, without warlords or kings. Combining history with anthropology and archaeology, this remarkable study serves as a valuable companion to the Icelandic sagas, exploring all aspects of Viking Age life: feasting, farming, the power of chieftains and the church, marriage, and the role of women. With masterful interpretations of the blood feuds and the sagas, Byock reveals how the law courts favored compromise over violence, and how the society grappled with proto-democratic tendencies. A work with broad social and historical implications for our modern institutions, Byock's history will alter long-held perceptions of the Viking Age.

From reader reviews:

Jeffrey Richard:

This book untitled Viking Age Iceland to be one of several books this best seller in this year, honestly, that is because when you read this e-book you can get a lot of benefit onto it. You will easily to buy this kind of book in the book shop or you can order it by way of online. The publisher in this book sells the e-book too. It makes you easier to read this book, since you can read this book in your Touch screen phone. So there is no reason to you to past this publication from your list.

William Duhon:

Spent a free time to be fun activity to try and do! A lot of people spent their free time with their family, or their particular friends. Usually they doing activity like watching television, going to beach, or picnic from the park. They actually doing same thing every week. Do you feel it? Would you like to something different to fill your free time/ holiday? Can be reading a book might be option to fill your cost-free time/ holiday. The first thing that you ask may be what kinds of guide that you should read. If you want to try look for book, may be the publication untitled Viking Age Iceland can be excellent book to read. May be it could be best activity to you.

Brandon Adams:

Precisely why? Because this Viking Age Iceland is an unordinary book that the inside of the publication waiting for you to snap this but latter it will jolt you with the secret the idea inside. Reading this book adjacent to it was fantastic author who also write the book in such remarkable way makes the content inside easier to understand, entertaining way but still convey the meaning entirely. So , it is good for you because of not hesitating having this any more or you going to regret it. This book will give you a lot of gains than the other book possess such as help improving your skill and your critical thinking technique. So , still want to hold off having that book? If I have been you I will go to the guide store hurriedly.

James Holmes:

This Viking Age Iceland is great reserve for you because the content which is full of information for you who always deal with world and possess to make decision every minute. This kind of book reveal it info accurately using great plan word or we can say no rambling sentences in it. So if you are read this hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but difficult core information with beautiful delivering sentences. Having Viking Age Iceland in your hand like keeping the world in your arm, data in it is not ridiculous just one. We can say that no guide that offer you world throughout ten or fifteen small right but this reserve already do that. So , this is good reading book. Hey there Mr. and Mrs. stressful do you still doubt in which?
