Cole Davenport doesn't expect to be jilted by his fiancée, but that's exactly what happens on his wedding day, the day that is also Christmas Day. He should be grateful when the attractive CEO of Grand Events comes to console him, but instead he does the unthinkable—he kisses her.

Alexandria “Lexi” Riley has kissed a few frogs in her life, hoping that one day she'll finally find her prince. But, what she doesn't bargain for is a prince who used to be her client—a client whose wedding she was paid to organize and whose pride she had to protect when his bride-to-be left him.

Months later, Cole and Lexi meet again. Friendship and then a romantic relationship develop between them. But, unexpectedly, two things happen: a crime against Lexi and a reentry of Cole's ex-fiancée into his life.

Will this Christmas turn out to be a fiasco like the one the year before?
