**Bible Archaeology: An Exploration of the History and Culture of Early Civilizations** John McRay, Alfred Hoerth

Although it's most often associated with the excavation of historical sites, archaeology is more so a quest to recover a better understanding of early civilizations-their language, history, and culture.

This comprehensive and accessible guide offers full-color maps, photographs, and diagrams to introduce readers to biblical archaeology. By sharing knowledge and insight into the historical contexts and cultural settings of the biblical narratives, the authors give readers glasses through which they can truly experience the life and work of such godly men as Abraham and Moses, as well as Jesus and his disciples. As a result, readers can achieve a more accurate interpretation of the biblical text and gain a greater understanding of their faith.
