Encyclopedia of Canadian Social Work

Encyclopedia of Canadian Social Work

All of us, as Canadians, are touched throughout our lives by some aspect of social welfare, either as recipients, donors, or taxpayers. But despite the importance of the social network in our country, there has been no single source of information about this critical component of our society. Even professionals in the field of social work or social services have not had a comprehensive volume addressing the myriad features of this critical societal structure. The *Encyclopedia of Canadian Social Work* fills this need.

Over five hundred topics important to Canadian social work are covered, written by a highly diverse group of social workers covering all aspects of the field and all areas of the country. Practitioners, policy makers, academics, social advocates, researchers, students, and administrators present a rich overview of the complexity and diversity of social work and social welfare as it exists in Canada.

The principal finding from this project underscores the long-held perception that there is a Canadian model of social work that is unique and stands as a useful model to other countries. The *Encyclopedia of Canadian Social Work* will be an important source of information, both to Canadians and to interested groups around the world.

The *Encyclopedia of Canadian Social Work* is available in e-book version by subscription or from university and college libraries through the following vendors: Canadian Electronic Library, Ebrary, MyiLibrary, and Netlibrary.

From reader reviews:

Leon Fisher:

As people who live in the actual modest era should be update about what going on or facts even knowledge to make these people keep up with the era that is certainly always change and advance. Some of you maybe will probably update themselves by examining books. It is a good choice to suit your needs but the problems coming to you is you don't know what kind you should start with. This Encyclopedia of Canadian Social Work is our recommendation to help you keep up with the world. Why, since this book serves what you want and want in this era.

Margaret Burman:

Spent a free time and energy to be fun activity to perform! A lot of people spent their sparetime with their family, or their friends. Usually they undertaking activity like watching television, planning to beach, or picnic inside the park. They actually doing ditto every week. Do you feel it? Do you wish to something different to fill your own personal free time/ holiday? Could possibly be reading a book is usually option to fill your free of charge time/ holiday. The first thing that you'll ask may be what kinds of publication that you should read. If you want to try out look for book, may be the reserve untitled Encyclopedia of Canadian Social Work can be good book to read. May be it might be best activity to you.

Vincent Humphreys:

As a pupil exactly feel bored for you to reading. If their teacher expected them to go to the library or even make summary for some e-book, they are complained. Just little students that has reading's heart or real their hobby. They just do what the trainer want, like asked to the library. They go to presently there but nothing reading really. Any students feel that reading through is not important, boring and can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Encyclopedia of Canadian Social Work can make you really feel more interested to read.

Carlos Tabor:

What is your hobby? Have you heard that will question when you got scholars? We believe that that issue was given by teacher to the students. Many kinds of hobby, All people has different hobby. And you know that little person such as reading or as examining become their hobby. You need to understand that reading is very important and also book as to be the thing. Book is important thing to increase you knowledge, except your own teacher or lecturer. You see good news or update regarding something by book. Amount types of books that can you go onto be your object. One of them is this Encyclopedia of Canadian Social Work.
