THE WAY EXECUTIVES USE PROFESSIONAL SERVICES IS DYING. Are you ready to get the most out of what comes next? The longstanding business model of professional services is facing change unlike any other in its century-long history. Over the next 15 years, unrelenting advances in technology, data science, and corporate culture will fundamentally disrupt your “trusted advisors.” Exciting opportunities lie ahead for forward-thinking organizations, while disastrous threats await any buyer that’s unprepared to adopt a new service delivery model. MICROSLICES is a timely, eye-opening look at the changes that are already revolutionizing the professional services industry. It provides specific steps you must take as a buyer of those services to protect your organization from wasted consulting fees, outdated advice, and generic solutions. Consulting is dying. Your top adversaries will react to the future; will you? “Microslices is a great dive into understanding exactly why the boom in data sciences will completely change the way you use professional services. It’s, quite simply, a must-read.” Keith Ferrazzi author of *Never Eat Alone* and the #1 NY Times bestseller *Who’s Got Your Back* “The book provides an excellent view into the future for everyone that provides or utilizes professional services. It predicts the changes coming to the industry and how to embrace the changes in order to increase productivity and profitability.” Major General Steven W. Smith (Ret.) CEO of S.W. Smith & Associates For more information about Big Sky, visit www.bigskyassociates.com.
