The Apha's Immunization Handbook Angelo

In all 50 states in the U.S. and the District of Columbia, pharmacists can now play an active role in combating vaccine-preventable diseases. Opportunities for pharmacists to provide immunizations are on the rise. Many schools, companies, and organizations now offer pharmacists immunization training and education. Pharmacists and student pharmacists are strongly encouraged to participate in immunization-related activities. APhA's Immunization Handbook provides numerous guidelines, tips, and resources for building and sustaining a successful immunization practice. Written in a concise and quick look-up format, this handy resource is an essential tool for the busy pharmacist.
