America Firsthand, Volume I: Readings from Settlement to Reconstruction Robert D. Marcus, David Burner, Anthony Marcus

With its distinctive focus on ordinary people, this primary documents reader offers a remarkable range of perspectives on America's history from those who lived it — from Jews in the Early Republic to strikers at an auto plant in 1940s Detroit, and from a Civil War battlefield nurse to a 1990s dot.com entrepreneur. Popular Points of View sections expose students to different perspectives on a specific event or topic, and Visual Portfolios invite analysis of the visual record. These features and the collection as a whole save instructors time finding consistently suitable source material on their own.
