Mother Earth, Father Sky: Pueblo and Navajo Indians of the Southwest Marcia Keegan

"Through brilliant photographs, Marcia Keegan has recreated the sense of wonder and harmony between the Southwest Indians and nature". (Albuquerque Tribune)

Marcia Keegan's photographs of the Pueblo and Navajo Indians -- their land, their days, and their lives -- are awesome testimony to the richness of a way of being; they are images that open a window onto a breathtaking and singular world. Transliterations of authentic Indian chants provide a lyrical counterpoint to Keegan's moving pictorial record, which captures the sacred unity between the Southwest Indians' land and their way of life.

David McCabe:

As a scholar exactly feel bored to help reading. If their teacher expected them to go to the library or even make summary for some guide, they are complained. Just small students that has reading's spirit or real their passion. They just do what the educator want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that studying is not important, boring and can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Mother Earth, Father Sky: Pueblo and Navajo Indians of the Southwest can make you truly feel more
