Talking \$hit Penny L. Samms

Talking \$hit is a comedic book that combines booze and food pairings with anecdotal stories about booze and food pairings, relationships, observations, and general stream of consciousness thoughts. The gift for someone who has everything. Perfect for people who have reached a certain age but have managed to maintain a certain level of immaturity. Bad language and general gibberish are common themes and this book fits on every coffee table, in every trailer and cottage, and especially, on the back of everyone's toilet. This book has not been edited. Nor will it ever be. If you are the type of person who offends easily, buy this book for someone who doesn't. :D
