Lacy Stevenson is a faithful member of one of Atlanta's mega churches, Mt.Zion AME. Pastor Dr. Warren McBeth is one of the youngest pastors to run a multi-million dollar mega church at the age of 35 with a congregation of over 25,000. Both gets thrust into a sea of mass destruction when one is caught up in federal indictments of conspiracy, murder, bank fraud, money laundering, wire fraud, and prostitution. No one can be trusted and where is God when you need him? Lacy finds that love doesn't conquer after all. In fact, L.O.V.E. stands for 'life of vicious enemies' as she quickly finds out. She soon falls in love then she asks herself if he is the ONE? What she doesn't know is that even men of the cloak can be very deceiving but when an investigation of her church is launched, she finds that she's right in the middle of the drama. But when Lacy gets arrested along with some of her congregation members, she soon finds out that she was being used as a pawn in this game of tricks. Now her life is on the line, people that she thought she could trust went bust, and now she finds out she's pregnant! Who is the father? Now threats are being promised to her if she keeps the baby. Black mail become embedded on her tongue and then backfires in her face. Will Lacy get her life back or will she just lie down and play dead?
