Across the Winds of Time Bess McBride

When Molly Hamilton and her sister embark on a genealogical ancestral research journey through the Midwest, she never expected to buy a 100-year-old Victorian house in the middle of a cornfield and fall in love with the house's owner...the original owner, that is. Darius Ferguson has no idea how he has come to present day Iowa. The last thing he knew, the year was 1880, and he had just buried his fiancée, who happens to look exactly like Molly. In spite of being drawn to him, Molly thinks Darius is just a little bit unhinged. Darius wonders if he died and didn't cross over. Both of them wonder if time travel is possible. If it is, will love be enough to build a future together?
