She needs a way off the planet ... but she gets a lot more than she bargained for.

When Tabby Wilson has to run from her techno-drug-dealing boyfriend, she figures the Draconian mating lottery will be her ticket to safety -- and the good life. Then her new mate is forced to take her along on his commando mission, but she soon learns that the dragon shifter alien provides benefits far greater than luxury.

Oro Nix can't afford distractions -- he's an elite fighter facing a serious human threat. Nonetheless, he quickly succumbs to the lure of his sassy little human mate, her sexy curves, and the roar of his inner dragon.

But he and Tabby soon discover that his mission is more complicated than either of them realized -- and she's part of it.
